

**BEFORE THE FEDERAL COMMUNICATIONS COMMISSION WASHINGTON, D.C.
20554**

In the Matter of Space Exploration Holdings, LLC Application for Authorization of
Non-Geostationary Orbit Satellite System (Orbital Data Center)

ICFS File No. SAT-LOA-20260108-00016

CERTIFICATE OF DOCUMENT INTEGRITY

I, Nickolai G. Bakken, hereby certify that the SHA-256 cryptographic hash of the Informal Request of Nickolai G. Bakken filed in this docket on March 17, 2026, computed on the PDF file at the time of upload to ICFS, is:

SHA-256:

095858824D3102CA482969B2C4E87351EF433C449E053FE7BBB1583CFAA9594F

This hash has been independently preserved outside the ICFS platform. This certificate is filed for the reasons identified in the SHA-256 Document Integrity Statement accompanying the Bakken SIO filed March 15, 2026, and in support of the chain-of-custody observations at Request 6-Q and Request 6-S of the Informal Request.

/s/ Nickolai G. Bakken
